1. The listed entity may be confronted with the question as to when an event/information can be said to have occurred for making disclosures under regulation 30 read with Schedule III of the LODR Regulations.

2. In certain instances, the answer to above question would depend upon the stage of discussion, negotiation or approval and in other instances where there is no such discussion, negotiation or approval required viz. in case of natural calamities, disruptions etc., the answer to the above question would depend upon the timing when the listed entity became aware of the event/information.

   2.1. In the former, the events/information can be said to have occurred upon receipt of approval of Board of Directors e.g. further issue of capital by rights issuance and in certain events/information after receipt of approval of both i.e. Board of Directors and Shareholders.

   However, considering the price sensitivity involved, for certain events e.g. decision on declaration of dividends etc., disclosure shall be made on receipt of approval of the event by the Board of Directors, pending Shareholder's approval.

   In case in-principle approval or approval to explore (which is not final approval) is given by the Board of Directors, the same shall not require disclosure under regulation 30 of the LODR Regulations.

GUIDANCE ON THE CRITERIA FOR DETERMINATION OF MATERIALITY OF EVENTS / INFORMATION

1. The criteria for determination of materiality of events / information is specified in regulation 30(4) of the LODR Regulations. One of the criteria is that the omission of an event or information, whose value or the expected impact in terms of value, exceeds the lower of the following:
   i. two percent of turnover, as per the last audited consolidated financial statements of the listed entity;
   ii. two percent of net worth, as per the last audited consolidated financial statements of the listed entity, except in case the arithmetic value of the net worth is negative;
   iii. five percent of the average of absolute value of profit or loss after tax, as per the last three audited consolidated financial statements of the listed entity;

2. In respect to the above, it is clarified that the average of absolute value of profit or loss is required to be considered by disregarding the 'sign' (positive or negative) that denotes such value as the said value / figure is required only for determining the threshold for 'materiality' of the event and not for any commercial consideration. The following illustration is provided in this regard for clarity:

Table I: Illustration for calculation of average of absolute value of profit or loss after tax

(Amount in Rs. crore)	**Profit/loss after tax**	**Absolute value of profit/loss after tax**	**Average of absolute value of profit/loss after tax for the 3 years**
FY 2020-21	(20)	20	**(20+50+20) / 3 = 30**
FY 2021-22	50	50	
FY 2022-23	(20)	20	

Further, it is clarified that in case a listed entity does not have a track record of three years of financials, say, in case of a demerged entity, the aforesaid average may be taken for the period / number of years as may be available.
